Hello Happy Valley Elementary Families,

We are so excited that our year has started off on a great stride. This promises to be a year filled with golden opportunities for all of our students as we strive to find ways that we can be even better than we have before! We embark on this journey with a pledge to you, our students and parents, that this will be a year of engaging, meaningful and rigorous work in our classrooms, combined with special events and a plethora of extracurricular activities and athletic teams certain to encourage our Vikings to be involved and stay connected!

During the 2019-20 school year, we will continue to build upon and refine our proven foundation of good work, honored traditions, and continued excellence in education. Our vision remains to be committed to the success of every child, every day focusing on a safe, responsible and respectful school community.

Here are some things to highlight and celebrate:

- Our sports program has two full teams for volleyball, a coed soccer team and about 20 students running cross country.
- Our teachers are gearing up for an all school reading focus our first trimester to ensure students are at or above their reading comprehension.
- Student council is gearing up with elections this week.
- Many students have been pursuing new club ideas and leadership to run them.
- Septembers Character Trait is Responsibility
 - *"Own your words. Own your actions."*
 - Show by example that you are a dependable person.
 - Be willing to put the needs and feelings of others ahead of yours and not just think about yourself.
 - Recognize that your actions can affect others in both a positive or negative way
 - Accept the blame and the consequences for your mistakes.
 - Be willing to do something to make life better at home, at school and in the community.

There are many more positive updates to list, but those are just a few. We look forward to many more to come this year.

Happy September! ***You're Amazing, Be Amazing!***
