

Happy Valley Union Elementary School District

Parent/Guardian Request Application for Notifications of Pesticide Use

I would like to be notified every time a pesticide application is to take place at my child's school **in addition** to the annual notification. The type of notification will be at the district's discretion. Notification will take place 72-hours prior to the application.

I understand that if there is an immediate threat to health or property that requires treatment before notification can be sent out, I will receive notification as soon as practicable.

*** Please note, the 72-hour notification does not include applications by **Professional Exterminators of Redding** as they are always scheduled at the same time each month. These applications take place the **first (1st) Saturday** of the month for exterior buildings.

Please complete the following form below and return it to your child's school office.

Name of school site:

Child's Name:

Name of Parent/Guardian (please print):

Signature of Parent/Guardian:

Date: _____
